Wood Block Collection

Inspired by the carved wood blocks used in the art of textile design this modern collection features candles, perfumes, room spray and incense.

Palo Santo Collection

Palo Santo is a sustainably cultivated wood that has natural aromatic properties in its resin. Traditionally burned to ward of bad energy, calm and cleanse the body and mind and to bring good fortune to those who use it. Includes wood, room spray, candles, soap and perfumes.

Sweet Balsam Collection

Our Sweet Balsam collection stylishly brings the outdoors inside. Candles, incense, and matches are all scented with our classic Sweet Balsam exclusive scent, a blend of evergreens highlighted with top notes of spring bulbs and pinecones.
